Maj. Totten Takes Bride

Society Wedding in Capital Attended by High Official Persons.

One of the most beautiful as well as most interesting weddings of the summer season took place yesterday afternoon, when Mrs. Vicken on Post, a noted sculptress of Sweden, became the bride of Maj. George Oakley Totten, jr., of Washington. The ceremony was performed at the Sixteenth street studio home of Maj. Totten, the original plan to have it solemnized at the beautiful home of Judge and Mrs. Clarence N. Goodwin at Lake Forest, Ill., having been altered. he plans were changed because it was believed that the father of the hridegroom, George Oakley Totten, New York, would be unable to indertake so long a journey.

The ceremony was performed in the large drawing-room, where a green foliage furnished a background and where a flag of the United States and one of Sweden had been hung. The decorations in the studio house were almost en-tirely of green, save on the bride's table, where a still more suitable

decoration had been placed.

Judge Goodwin gave the bride away. Her attendants included her sister, Miss Eva von Post, of Sweden, as maid of honor; Mrs. Mark Reid Yates, and Miss Claribel Goodwin as matron and maid, and Diana Rogers, the young daughter of Mr. and Mrs. Laussat R.
